- Approach to Communication
- Build recognition of ERFMI within Commission and National

Polymers in Flooring 2019 is taking place from 3-4 December 2019 in Berlin. Once again, it will provide a unique opportunity for flooring producers, as well as the entire supply chain, to meet and discuss technical and market trends, industry initiatives and sustainability. There's a special **discount in place for ERFMI members** to join this important industry conference. [You can register online here](#) or get in touch with Olga Osipova (oo@amplastics.com) and quote 'ERFMI' to attend at a special rate.

We are proud
